"ALL GOD'S CHILLUN"

Mr. Ewald writes, "We have had a severe slump in consumer buying, and therefore a three-year rise in potential demand." "The depression" is not real, "the depression" is a human desire. All God's Chillun want things. With more than forty million of our people still gaily employed, with our gross income greater than that of all Europe combined, with our "poor little rich country" still rich in many ways even today, there need be no doubt as to what eventually will happen. Now, "the depression" if you will, later "the deluge" of pent-up buying unloosed. Business organizations, large and small, will participate in the "re-awakening" in direct proportion to their courage, preparedness and sustained selling and advertising effort. This message contains sound principle. The only thing needed for the greatest period of consumer buying the nation has ever known is ready cash. When that all-important ingredient is supplied, the flood gates will be loosed.

TO THE GRADUATES

What does the older generation ask of the generation of young high school and college graduates this month entering society? Not that they submit endless new ideas, nor that they invent new problems and new answers. Not that they discard or create.

The older generation asks of the younger generation that, acting upon the firm foundations of the past, upon tested principles, it do its best to readjust the world in which it lives to new times and new conditions. Each generation has this fundamental task. The present generation had to adjust its world to the automobile, the incandescent light, to the motion picture, to the X-ray, to the radio, to gun cotton and T.N.T., to cellulose and prohibition. What is "modern" for one generation is foggy to the next. The transition is the task of youth. "When duty whispers low, Thou must, the youth replies, I say, 'I will not!'" Challenge. The challenge of a world needing adjustment, realignment, revitalization. The crime of the younger generation will be to succumb to successfully apply the worthwhile verities of the past to the maze of the present. We wish them God speed.

State Democrats For Byrd; Vote On Prohibition Amendment

Report of Virginia Convention At Richmond

The State Democratic Convention held in Richmond last week to adopt the Democratic platform for Virginia and to lay down the party plan for the Democratic party, was the last time the tenth district will participate as a district in future conventions held. L. W. H. Peyton, of Staunton, was elected permanent chairman, and O. V. Hanger, of Amherst, was elected permanent secretary. The chairman appointed the following committee on nominations: L. H. Shrader, chairman, Amherst; A. B. Davies, Lexington; W. H. Borge, Lovington; Va. On recommendation of the nominating committee the following members of the Standing Committee RESOLUTIONS: George W. Layman, New Castle, Va.; S. D. Timberlake, Jr., Staunton, Va.; A. J. Terrell, New Canton, Va.; Credentials: Hale Collins, W. H. Carter, Amherst, Va.; Bryan Carver. Permanent Organization: R. O. Garrett, Cumberland, Va.; M. E. Meeks, Clifton Forge, Va.; W. T. Paxton, Buena Vista, Va.; Hon. W. Stuart Moffett, Staunton, Va., was elected district elector. The following delegates to the National Convention, which will be held in Chicago on June 27, were elected: S. L. Ferguson, Appomattox, Va.; O. V. Hanger, Amherst, Va.; Dr. W. N. Breckenridge, Pincastle, Va.; A. Willis Robertson, Lexington, Va. The following alternates were elected: Malcolm W. Perkins, Falmouth, Va.; Joel Flood,

Richmond. (By Carter Wormeley) Richmond.—The Democracy of Virginia assembled in state convention here last week, went on record with an enthusiastic and unanimous endorsement of

the rising tide of governmental expenses (and the resulting increase in practically every phase of taxation) has become a menace that is threatening the very foundations of the economic and social order of America. The following open letter, dealing with this condition, has been placed before every employee of the Norfolk and Western Railway. It is reproduced here, because the subject is one that vitally affects, not only the Norfolk and Western and its employees, but every industry and every citizen in every community in the country.

TO ALL MEMBERS OF THE NORFOLK AND WESTERN FAMILY:

A condition has arisen in the nation's economic and political situation that demands careful consideration and action on the part of every citizen of the United States. The condition which prompts this open letter is the cost of government and the continuing flood tide of governmental expenditures, both of which must be curtailed before we can hope for any permanent improvement in general business conditions, in the financial and traffic situation of our country, or in our individual progress, prosperity and success.

Every citizen knows, but few consistently remember, that the funds for all governmental expenses and expenditures (federal, state, county or municipal) are provided by taxes. Taxes, in turn, are paid by every person, every business and every industry, either directly or indirectly. Moreover, taxation that affects the individual and vice versa. The result of this situation is that every business or professional man, and every wage earner, is or should be, vitally interested in taxation and consequently in the cost of government. And only as the cost of government is reduced can our personal and business taxes be reduced.

The present situation is well illustrated by the taxes of the Norfolk and Western Railway. In 1921 the railway's tax accruals were \$4,730,000, of which \$1,574,400 was for federal government taxes and \$3,155,600 for state, county and municipal government taxes. Ten years later, in 1931, the railway's tax accruals totaled \$8,190,000, of which \$2,790,000 was for federal taxes and \$5,400,000 for state, county and municipal taxes. The railway's federal tax bill last year was \$1,612,300 greater than it was in 1921; its state, county and municipal tax bill was \$1,612,300 greater and its total tax bill 72.3 percent greater than it was ten years ago. Probably more than 25 percent of our national income for 1931 will be paid in taxes. Neither corporations nor individuals can hope for improvement under such conditions.

What is true of the railway's taxes is likewise true of your taxes and the taxes of all business and industry. Taxes could be reduced if every citizen would become interested in governmental expenditures and express that interest to those who have been or will be elected to public office.

Simply stated, it is my sincere hope that every member of the Norfolk and Western Family will carefully study the rising cost of local, county, state and national government and forcefully express to your legislators the inevitable result that taxes can be reduced and industry, as well as individual, be given a chance to recover from the economic stagnation that has gripped our country for two years.

Very truly yours,

A. C. Neal
President.

S. 12; Presbyterian Orphanage 7, A. H. S. 8. W. T. Smith coached the team.

The Mount Zion base ball team, under the management of Cramer Anderson, won a 17-15 decision over a picked nine from Arvonias on a diamond last Saturday afternoon. Buster Bigford, the pitcher, pitched a better game than the score would indicate. Manager Anderson's youngsters are showing great improvement over their former games.

The Brema Baseball nine lost a close game to Esmont last Saturday when the visitors took the long end of a 7-6 score. Harry Morris, pitcher for the Brema team, hurled well.

Concord defeated Appomattox in a baseball game here at the Fair grounds Tuesday, with a score of 13 runs to 12.

Clover Hill will play Stone wall here Saturday.

OAKVILLE

OAKVILLE, June 15.—Little Belle Martin, who was hurt about the face in an accident that occurred when the truck driven by Sidney Martin became uncontrollable and overturned, is much improved at this writing. The accident occurred June 5.

Miss Edythe Martin has gone to S. T. C., Farmville, to attend school this summer.

Red Oak Baptist S.S. will observe Children's Day next Sunday morning at the regular preaching hour.

The farmers are quite busy planting tobacco since the recent rain. Some haven't enough plants, due to the "blue mold", getting into their plant beds. The rain was much needed as it was very dry in this section.

(The wheat crops in this vicinity seem to be good.)

Mr. and Mrs. F. B. Conner have returned from a visit to relatives in Bedford and Vinton.

Misses Alese Martin and Elizabeth Coleman, who graduated at S. T. C., Farmville, this year, have returned home.

Eston Harvey, who attended school at V.F.I. last session, is at home on his vacation.

Miss Mary Jane Martin, daughter of Sidney Martin, was married June 4 to Mr. William Burches, of Howardsville. The ceremony was performed at the Methodist parsonage, at Appomattox, by the Rev. E. I. Lewis, pastor of the bride. The couple will reside at Howardsville.

HIXBURD, June 15.—Mrs. Sarah Hix Chamberlain, of Boone, Iowa, who has been spending some time here with her sister, Miss Maggie Hix, was taken seriously ill on Monday, June 6, and died on Friday, June 10.

She was buried here in the family cemetery on Saturday afternoon. Two of Mrs. Chamberlain's daughters, Mrs. Smith Trump, and son of Burlington, Iowa, and Miss Edith Chamberlain, of Denver, Col., arrived a few minutes after their mother had passed away.

Mrs. Chamberlain's husband, Mr. Walter Chamberlain, preceded her to the great beyond many years ago. Mrs. Chamberlain is also survived by one more daughter, and one son, Ed, of Boone, Iowa, and one son, Wally.
